Your wholesale price on a code 1 item listed at \$6.95 will be \$3.13 each with your normal wholesale discount, but can be as low as \$1.74 with your highest quantity discount. Quantity discounts are applied per item code or title. So five of just the Amethyst pendulums will be 60% off (\$2.78 each), but one each of five different pendulums would not receive the quantity 5 discount and would therefore still be 55% off (\$3.13 each).
